DETAILED ACTION

Response to Arguments

1. Examiner notes the cancellation of claims 60-66 which therefore renders moot the previous 35 USC 103 rejection of these claims.
2. An updated prior art search has yielded no further, as per prior art rejection purposes, additional results. Therefore, the claims are in condition for allowance.

Allowable Subject Matter

3. Claims 1-6, 8, 10, 12, 45-50, 54-59 and 67-77 are allowed.

The following is an examiner's statement of reasons for allowance:

In reference to claims 1, 8 and 67, the prior art of record does not explicitly disclose arranging a first plurality of physical paint sample cards on a display unit so that they are arranged in groups of varying hue in a first direction and chroma in a second direction while further arranging one or more combination or coordination paint sample cards adjacent each group of different hue and chroma physical paint sample cards, each color combination or coordination paint sample card containing a plurality of paint samples having the same base hue as the hue of a group it is adjacent to with a picture of a building or room painted with the plurality of colors on the color combination paint sample card, in combination with the further limitations of claims 1, 8 and 67 respectively.

In reference to claims 2-6, 10, 12, 54-59 and 68-77, claims 2-6, 10, 12, 54-59 and 68-77 depend upon allowable claims 1, 8 and 67 and are therefore also deemed allowable.

Art Unit: 2628

In reference to claim 45, the prior art of record does not explicitly disclose a first plurality of paint sample cards arranged in hue groups, arranging one or more color combination style cards adjacent to each group of different hue, each combination card having a tri-fold card with three separate sections, each section containing a plurality of paint samples and a picture of a room painted with the plurality of paint samples on the section, each section of the tri-fold card having a picture of a different room, in combination with the further limitations of claim 45.

In reference to claims 46-50, claims 46-50 depend upon allowable claim 45 and are therefore also deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
